How to use the bus map and timetables

System map

Find your destination on the map. Look for the nearest bus route to this location. If this route is different from the first route you have selected, look at the second timetable and map and check where a transfer may be made. Most transfers are made at **Votran Transfer Plaza** at 207 Dr. Mary McLeod-Bethune Blvd, Daytona Beach.

Votran's mission is to identify and safely meet the mobility needs of Volusia County. This mission will be accomplished through a courteous, dependable and environmentally-sound team commitment to quality service.

Timetable

Check the timetable on the schedule under your route number and look for the time point (cross streets) closest to where you would like to board the bus. Follow the column down the timetable and find a departure time convenient for your trip. Read across the line to the time point closest to your destination point. If your boarding or destination point is between two timepoints, the bus will arrive at your destination at a time between the time the bus passes the first timepoint and arrives at the second timepoint. If your trip appears difficult or impossible to plan on your own have questions, please call **386-761-7700** for assistance. We will help you plan your trip.

Como usar el Horario y el Mapa de las rutas Votran

El Mapa Del Sistema Votran

Encuentre la calle donde usted está ubicado o la calle más cerca de usted en el mapa. Fíjese en el nombre, el número, y el color de la ruta más cerca. La hora de salida del autobús se puede ver en el horario de esta ruta.

Encuentre la localización del lugar adonde usted quiere ir en el mapa. Busque la ruta del autobús más cerca a esta localidad. Si esta ruta es diferente a la primera ruta que usted escogió, mire a la segunda ruta y su horario y busque en donde usted puede hacer un transbordo. El transbordo se puede hacer en el las **facilidades de transito en Daytona Beach.**

"La misión de Votran es identificar y satisfacer las necesidades de mobilidad en forma segura por el condado de Volusia. Esta misión se logrará a través de un cortés, confiable y un equipo ecológico compromiso a servicio de calidad."

Horario

Revise la parte que indica el horario del autobús debajo del número de la ruta que usted ha determinado como la mejor para su viaje, y busque la calle o el punto de embarcar que está más cerca a donde usted quiere tomar el autobús. Siga la columna a través del horario hasta que usted encuentre una hora de salida conveniente para su viaje. Lea hacía abajo de esta línea hasta la hora y lugar más cerca de donde usted quiere ir para estimar su hora de llegada.

Si su calle o punto de embarcar o desembarcar el autobús está en el medio de dos paradas, usted puede calcular su llegada con la hora de llegada de la parada antes y de la parada después de la suya. Su autobús llegará a una hora entre estos dos horarios. Si su viaje le parece difícil de planear, o si usted tiene preguntas o necesita ayuda, por favor de llamar este número, **386-761-7700.**
